**Subject: Declaration wrt Upwork Global Inc Agreement**

Dear Sir,

We work with Upwork Global Inc, USA, it's an online platform where we first bid for the projects and once allotted, work on the same platform and get paid directly by Upwork.

We have submitted the agreement for registering with STPI, and below is the declaration regarding certain points.

The address mentioned in the agreement is for the Legal department, and there is a link to see other contact addresses. The company HO is situated at 441 Logue Avenue, Mountain View, CA 94043, USA.

The value of the agreement is estimated as there is no fixed price for the projects or services and depends of the kind of work and duration of work. The agreement is ongoing till it is cancelled by any of the parties, so there is no end date.

This is a digital copy so there is no signature required from their side, but for certification I have signed from our company behalf.

Please get this agreement registered so that we can raise softex for the same.

Thank you.

Regards,
